Speaker: **MONA**, painter confirmed, former student of the University of Beaux Arts sin Toulouse, proposes three options to you:

1: training course Initiation:
(Joint Base)

Duration: one day (between six and eight of work hours)

Tariffs: 120 euros

This price includes: all the material, use of a summer kitchen with the possibility of cooking on the spot, drinks, (coffee etc) Access to the library of art, the Hermitage, and the country cottage, witch is perfectly equipped and at the disposal of the pupils, and of course access to all the workshops, and the garden.

(To envisage 30 € for an annual compulsory membership with the association)

For which?

This training course is tailored for:

People who always wished to draw and who never dared

(and not inevitably to make a career)

To those who want to acquire bases, to improve them and , in all different ways.

With those who wish to feel the clay, the color in its purer expression, revealing their share of creativity.

Touch It pastel not requesting the same directions as the work of oil.

We are offering three different courses to you:

2: advanced training courses:

Three weekends, at your choice.

Training course of watercolour
Training course clay pastel
Training course oil-base paint

Tariffs: 250 € for the training course all material included. Duration: two days (between 12 and 15 work hours)

3: private tuition: with the choice of just learning how to draw, for example. (Or any aspect "techniques"

Tariffs: 25 € the session (it is difficult to make per hour, because a session last between one and two hours)

What is not included in the price:

Place to eat: the Spanish auberge at 3Kms away

Place to stay ; various gites close by enrolments
